> **_"SO WHAT?" Harry shouted. "Don't you understand? If Snape gets hold of the Stone, Voldermort's coming back! Haven't you heard what it was like when he was trying to take over? There won't be any Hogwarts to get expelled from! He'll flatten it, or turn it into a school of Dark Arts! Losing points doesn't matter anymore, can't you see? D'you think he'll leave you and your families alone if Gryffindor wins the house cup? If I get caught before I can get to the Stone, well, I'll have to go back to the Dursleys and wait for Voldermort to find me there, it's only dying a lit bit than I would have, because I'm never going over to the Dark Side! I'm going through the trapdoor tonight and nothing you two can say is going to stop me! Voldermort killed my parents, remember?

> He glared at them.

> "You're right, Harry," said Hermione in a small voice.

> "I'll use the invisibility cloak," said Harry. "It's just lucky I got it back."

> "But will it cover all three of us?" said Ron.

> "All---all three of us?" said Ron.

> "Oh, come off it, you don't think we'd let you go alone?"

> "Of course not," Hermione said briskly. "How do you think you'd get to the Stone without us? I'd better go and look through my books, there might be something useful. . . ."
> "But if we get caught, you two will be expelled, too" ::music starts::
> "Not if I can help it," said Hermione grimly. "Flitwick told me in secret that I got a hundred and 12 percent on his exam. They're not throwing me out after that."

> Author's Note
 This story doesn't need editing because I copied it off from the first book. Hope you like it...reviews are welcome even flames...just tell me what you think...you don't even have to explain. Anyway you can decide for yourself if you want to Harry to die. Or you can ask for a sequel...hehehehehe
